Do you grocery shop? Do you grocery shop at Shop Rite?

If you've answered **YES**, then your regular grocery shopping can benefit the Church's Construction Fund.

**Are you asking yourself?
"How will my regular grocery shopping at Shop Rite benefit the
Church's Construction Fund?"**

Shop Rite offers non-profit organizations a win-win fund raising opportunity with declining balance gift cards. You pay only the face value of the card and Shop Rite awards the Church 5% of every gift card you purchase.

"What does that mean?"

It's simple, you can purchase Shop Rite gift cards from Amwell Church of the Brethren and the next time you shop at Shop Rite replace your normal form of payment (cash, check, debit or credit card) with a Shop Rite gift card.

"Where can I purchase Shop Rite gift cards?"

At Amwell Church of the Brethren, cards will be available in \$25, \$50 and \$100 denominations to suit every budget.

"How much could the Church possible earning with this fund raiser?"

We are excited to find out, for example: If just **ten** people purchase **one** \$100 gift card the Church receives \$50, 5% of every card purchased just for doing your grocery shopping!
